**Part B of HAP Contract: Body of Contract**

**1. Purpose**

- a. This is a HAP contract between the PHA and the owner. The HAP contract is entered to provide assistance for the family under the Section 8 voucher program (see HUD program regulations at 24 Code of Federal Regulations Part 982).
- b. The HAP contract only applies to the household and contract unit specified in Part A of the HAP contract.
- c. During the HAP contract term, the PHA will pay housing assistance payments to the owner in accordance with the HAP contract.
- d. The family will reside in the contract unit with assistance under the Section 8 voucher program. The housing assistance payments by the PHA assist the tenant to lease the contract unit from the owner for occupancy by the family.

**2. Lease of Contract Unit**

- a. The owner has leased the contract unit to the tenant for occupancy by the family with assistance under the Section 8 voucher program.
- b. The PHA has approved leasing of the unit in accordance with requirements of the Section 8 voucher program.
- c. The lease for the contract unit must include word-for-word all provisions of the tenancy addendum required by HUD (Part C of the HAP contract).
- d. The owner certifies that:
  - (1) The owner and the tenant have entered into a lease of the contract unit that includes all provisions of the tenancy addendum.
  - (2) The lease is in a standard form that is used in the locality by the owner and that is generally used for other unassisted tenants in the premises.
  - (3) The lease is consistent with State and local law.
- e. The owner is responsible for screening the family's behavior or suitability for tenancy. The PHA is not responsible for such screening. The PHA has no liability or responsibility to the owner or other persons for the family's behavior or the family's conduct in tenancy.

**3. Maintenance, Utilities, and Other Services**

- a. The owner must maintain the contract unit and premises in accordance with the housing quality standards (HQS).
- b. The owner must provide all utilities needed to comply with the HQS.
- c. If the owner does not maintain the contract unit in accordance with the HQS, or fails to provide all utilities needed to comply with the HQS, the PHA may exercise any available remedies. PHA remedies

for such breach include recovery of overpayments, suspension of housing assistance payments, abatement or other reduction of housing assistance payments, termination of housing assistance payments, and termination of the HAP contract. The PHA may not exercise such remedies against the owner because of an HQS breach for which the family is responsible, and that is not caused by the owner.

- d. The PHA shall not make any housing assistance payments if the contract unit does not meet the HQS, unless the owner corrects the defect within the period specified by the PHA and the PHA verifies the correction. If a defect is life threatening, the owner must correct the defect within no more than 24 hours. For other defects, the owner must correct the defect within the period specified by the PHA.
- e. The PHA may inspect the contract unit and premises at such times as the PHA determines necessary, to ensure that the unit is in accordance with the HQS.
- f. The PHA must notify the owner of any HQS defects shown by the inspection.
- g. The owner must provide all housing services as agreed to in the lease.

**4. Term of HAP Contract**

- a. **Relation to lease term.** The term of the HAP contract begins on the first day of the initial term of the lease, and terminates on the last day of the term of the lease (including the initial lease term and any extensions).
- b. When HAP contract terminates.
  - (1) The HAP contract terminates automatically if the lease is terminated by the owner or the tenant.
  - (2) The PHA may terminate program assistance for the family for any grounds authorized in accordance with HUD requirements. If the PHA terminates program assistance for the family, the HAP contract terminates automatically.
  - (3) If the family moves from the contract unit, the HAP contract terminates automatically.
  - (4) The HAP contract terminates automatically 180 calendar days after the last housing assistance payment to the owner.
  - (5) The PHA may terminate the HAP contract if the PHA determines, in accordance with HUD requirements, that available program funding is not sufficient to support continued assistance for families in the program.
  - (6) The HAP contract terminates automatically upon the death of a single member household, including single member households with a live-in aide.

- (7) The PHA may terminate the HAP contract if the PHA determines that the contract unit does not provide adequate space in accordance with the HQS because of an increase in family size or a change in family composition.
- (8) If the family breaks up, the PHA may terminate the HAP contract, or may continue housing assistance payments on behalf of family members who remain in the contract unit.
- (9) The PHA may terminate the HAP contract if the PHA determines that the unit does not meet all requirements of the HQS, or determines that the owner has otherwise breached the HAP contract.

**5. Provision and Payment for Utilities and Appliances**

- a. The lease must specify what utilities are to be provided or paid by the owner or the tenant.
- b. The lease must specify what appliances are to be provided or paid by the owner or the tenant.
- c. Part A of the HAP contract specifies what utilities and appliances are to be provided or paid by the owner or the tenant. The lease shall be consistent with the HAP contract.

**6. Rent to Owner: Reasonable Rent**

- a. During the HAP contract term, the rent to owner may at no time exceed the reasonable rent for the contract unit as most recently determined or redetermined by the PHA in accordance with HUD requirements.
- b. The PHA must determine whether the rent to owner is reasonable in comparison to rent for other comparable unassisted units. To make this determination, the PHA must consider:
  - (1) The location, quality, size, unit type, and age of the contract unit; and
  - (2) Any amenities, housing services, maintenance and utilities provided and paid by the owner.
- c. The PHA must redetermine the reasonable rent when required in accordance with HUD requirements. The PHA may redetermine the reasonable rent at any time.
- d. During the HAP contract term, the rent to owner may not exceed rent charged by the owner for comparable unassisted units in the premises. The owner must give the PHA any information requested by the PHA on rents charged by the owner for other units in the premises or elsewhere.

**7. PHA Payment to Owner**

- a. When paid
  - (1) During the term of the HAP contract, the PHA must make monthly housing assistance payments to the owner on behalf of the family at the beginning of each month.
  - (2) The PHA must pay housing assistance payments promptly when due to the owner.
  - (3) If housing assistance payments are not paid promptly when due after the first two calendar months of the HAP contract term, the PHA shall pay the owner penalties if all of the following circumstances apply: (i) Such penalties are in accordance with generally accepted practices and law, as applicable in the local housing market, governing penalties for late payment of rent by a

tenant; (ii) It is the owner's practice to charge such penalties for assisted and unassisted tenants; and (iii) The owner also charges such penalties against the tenant for late payment of family rent to owner. However, the PHA shall not be obligated to pay any late payment penalty if HUD determines that late payment by the PHA is due to factors beyond the PHA's control. Moreover, the PHA shall not be obligated to pay any late payment penalty if housing assistance payments by the PHA are delayed or denied as a remedy for owner breach of the HAP contract (including any of the following PHA remedies: recovery of overpayments, suspension of housing assistance payments, abatement or reduction of housing assistance payments, termination of housing assistance payments and termination of the contract).

- (4) Housing assistance payments shall only be paid to the owner while the family is residing in the contract unit during the term of the HAP contract. The PHA shall not pay a housing assistance payment to the owner for any month after the month when the family moves out.

- b. **Owner compliance with HAP contract.** Unless the owner has complied with all provisions of the HAP contract, the owner does not have a right to receive housing assistance payments under the HAP contract.

**c. Amount of PHA payment to owner**

- (1) The amount of the monthly PHA housing assistance payment to the owner shall be determined by the PHA in accordance with HUD requirements for a tenancy under the voucher program.
- (2) The amount of the PHA housing assistance payment is subject to change during the HAP contract term in accordance with HUD requirements. The PHA must notify the family and the owner of any changes in the amount of the housing assistance payment.
- (3) The housing assistance payment for the first month of the HAP contract term shall be prorated for a partial month.

- d. **Application of payment.** The monthly housing assistance payment shall be credited against the monthly rent to owner for the contract unit.

**e. Limit of PHA responsibility.**

- (1) The PHA is only responsible for making housing assistance payments to the owner in accordance with the HAP contract and HUD requirements for a tenancy under the voucher program.
- (2) The PHA shall not pay any portion of the rent to owner in excess of the housing assistance payment. The PHA shall not pay any other claim by the owner against the family.

- f. **Overpayment to owner.** If the PHA determines that the owner is not entitled to the housing assistance payment or any part of it, the PHA, in addition to other remedies, may deduct the amount of the overpayment from any amounts due the owner (including amounts due under any other Section 8 assistance contract).

**8. Owner Certification**

During the term of this contract, the owner certifies that:

- a. The owner is maintaining the contract unit and premises in accordance with the HQS.
- b. The contract unit is leased to the tenant. The lease includes the tenancy addendum (Part C of the HAP contract), and is in accordance with the HAP contract and program requirements. The owner has provided the lease to the PHA, including any revisions of the lease.
- c. The rent to owner does not exceed rents charged by the owner for rental of comparable unassisted units in the premises.
- d. Except for the rent to owner, the owner has not received and will not receive any payments or other consideration (from the family, the PHA, HUD, or any other public or private source) for rental of the contract unit during the HAP contract term.
- e. The family does not own or have any interest in the contract unit.
- f. To the best of the owner's knowledge, the members of the family reside in the contract unit, and the unit is the family's only residence.
- g. The owner (including a principal or other interested party) is not the parent, child, grandparent, grandchild, sister, or brother of any member of the family, unless the PHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities.

**9. Prohibition of Discrimination.** In accordance with applicable equal opportunity statutes, Executive Orders, and regulations:

- a. The owner must not discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability in connection with the HAP contract.
- b. The owner must cooperate with the PHA and HUD in conducting equal opportunity compliance reviews and complaint investigations in connection with the HAP contract.

#### 10. Owner's Breach of HAP Contract

- a. Any of the following actions by the owner (including a principal or other interested party) is a breach of the HAP contract by the owner:
  - (1) If the owner has violated any obligation under the HAP contract, including the owner's obligation to maintain the unit in accordance with the HQS.
  - (2) If the owner has violated any obligation under any other housing assistance payments contract under Section 8.
  - (3) If the owner has committed fraud, bribery or any other corrupt or criminal act in connection with any Federal housing assistance program.
  - (4) For projects with mortgages insured by HUD or loans made by HUD, if the owner has failed to comply with the regulations for the applicable mortgage insurance or loan program, with the mortgage or mortgage note, or with the regulatory agreement; or if the owner has committed fraud, bribery or any other corrupt or criminal act in connection with the mortgage or loan.
  - (5) If the owner has engaged in any drug-related

- b. criminal activity or any violent criminal activity.
- b. If the PHA determines that a breach has occurred, the PHA may exercise any of its rights and remedies under the HAP contract, or any other available rights and remedies for such breach. The PHA shall notify the owner of such determination, including a brief statement of the reasons for the determination. The notice by the PHA to the owner may require the owner to take corrective action, as verified or determined by the PHA, by a deadline prescribed in the notice.
- c. The PHA's rights and remedies for owner breach of the HAP contract include recovery of overpayments, suspension of housing assistance payments, abatement or other reduction of housing assistance payments, termination of housing assistance payments, and termination of the HAP contract.
- d. The PHA may seek and obtain additional relief by judicial order or action, including specific performance, other injunctive relief or order for damages.
- e. Even if the family continues to live in the contract unit, the PHA may exercise any rights and remedies for owner breach of the HAP contract.
- f. The PHA's exercise or non-exercise of any right or remedy for owner breach of the HAP contract is not a waiver of the right to exercise that or any other right or remedy at any time.

#### 11. PHA and HUD Access to Premises and Owner's Records

- a. The owner must provide any information pertinent to the HAP contract that the PHA or HUD may reasonably require.
- b. The PHA, HUD and the Comptroller General of the United States shall have full and free access to the contract unit and the premises, and to all accounts and other records of the owner that are relevant to the HAP contract, including the right to examine or audit the records and to make copies.
- c. The owner must grant such access to computerized or other electronic records, and to any computers, equipment or facilities containing such records, and must provide any information or assistance needed to access the records.

#### 12. Exclusion of Third Party Rights

- a. The family is not a party to or third party beneficiary of Part B of the HAP contract. The family may not enforce any provision of Part B, and may not exercise any right or remedy against the owner or PHA under Part B.
- b. The tenant or the PHA may enforce the tenancy addendum (Part C of the HAP contract) against the owner, and may exercise any right or remedy against the owner under the tenancy addendum.
- c. The PHA does not assume any responsibility for injury to, or any liability to, any person injured as a result of the owner's action or failure to act in connection with management of the contract unit or the premises or with implementation of the HAP contract, or as a result of any other action or failure to act by the owner.
- d. The owner is not the agent of the PHA, and the HAP contract does not create or affect any relationship between the PHA and any lender to the owner or any suppliers, employees, contractors or subcontractors used by the owner in connection with management of

the contract unit or the premises or with implementation of the HAP contract.

the Fair Housing Act or other Federal equal opportunity requirements.

- f. The conflict of interest prohibition under this section may be waived by the HUD field office for good cause.
- g. No member of or delegate to the Congress of the United States or resident commissioner shall be admitted to any share or part of the HAP contract or to any benefits which may arise from it.

- e. The HAP contract may not be assigned to a new owner if the new owner (including a principal or other interested party) is the parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has determined (and has notified the family of such determination) that approving the assignment, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities.

    - (c) Threatens the health or safety of, or the right to peaceful enjoyment of their residents by, persons residing in the immediate vicinity of the premises; or

**Housing Assistance Payments Contract U.S. Department of Housing  
(HAP Contract) and Urban Development  
Section 8 Tenant-Based Assistance Office of Public and Indian Housing  
Housing Choice Voucher Program**

---

**Part C of HAP Contract: Tenancy Addendum**

**1. Section 8 Voucher Program**

- a. The owner is leasing the contract unit to the tenant for occupancy by the tenant's family with assistance for a tenancy under the Section 8 housing choice voucher program (voucher program) of the United States Department of Housing and Urban Development (HUD).
- b. The owner has entered into a Housing Assistance Payments Contract (HAP contract) with the PHA under the voucher program. Under the HAP contract, the PHA will make housing assistance payments to the owner to assist the tenant in leasing the unit from the owner.

**2. Lease**

- a. The owner has given the PHA a copy of the lease, including any revisions agreed by the owner and the tenant. The owner certifies that the terms of the lease are in accordance with all provisions of the HAP contract and that the lease includes the tenancy addendum.
- b. The tenant shall have the right to enforce the tenancy addendum against the owner. If there is any conflict between the tenancy addendum and any other provisions of the lease, the language of the tenancy addendum shall control.

**3. Use of Contract Unit**

- a. During the lease term, the family will reside in the contract unit with assistance under the voucher program.
- b. The composition of the household must be approved by the PHA. The family must promptly inform the PHA of the birth, adoption or court-awarded custody of a child. Other persons may not be added to the household without prior written approval of the owner and the PHA.
- c. The contract unit may only be used for residence by the PHA-approved household members. The unit must be the family's only residence. Members of the household may engage in legal profit making activities incidental to primary use of the unit for residence by members of the family.
- d. The tenant may not sublease or let the unit.
- e. The tenant may not assign the lease or transfer the unit.

**4. Rent to Owner**

- a. The initial rent to owner may not exceed the amount approved by the PHA in accordance with HUD requirements.
- b. Changes in the rent to owner shall be determined by the provisions of the lease. However, the owner may not raise the rent during the initial term of the lease.
- c. During the term of the lease (including the initial

term of the lease and any extension term), the rent to owner may at no time exceed:

- (1) The reasonable rent for the unit as most recently determined or redetermined by the PHA in accordance with HUD requirements, or
- (2) Rent charged by the owner for comparable unassisted units in the premises.

**5. Family Payment to Owner**

- a. The family is responsible for paying the owner any portion of the rent to owner that is not covered by the PHA housing assistance payment.
- b. Each month, the PHA will make a housing assistance payment to the owner on behalf of the family in accordance with the HAP contract. The amount of the monthly housing assistance payment will be determined by the PHA in accordance with HUD requirements for a tenancy under the Section 8 voucher program.
- c. The monthly housing assistance payment shall be credited against the monthly rent to owner for the contract unit.
- d. The tenant is not responsible for paying the portion of rent to owner covered by the PHA housing assistance payment under the HAP contract between the owner and the PHA. A PHA failure to pay the housing assistance payment to the owner is not a violation of the lease. The owner may not terminate the tenancy for nonpayment of the PHA housing assistance payment.
- e. The owner may not charge or accept, from the family or from any other source, any payment for rent of the unit in addition to the rent to owner. Rent to owner includes all housing services, maintenance, utilities and appliances to be provided and paid by the owner in accordance with the lease.
- f. The owner must immediately return any excess rent payment to the tenant.

**6. Other Fees and Charges**

- a. Rent to owner does not include cost of any meals or supportive services or furniture which may be provided by the owner.
- b. The owner may not require the tenant or family members to pay charges for any meals or supportive services or furniture which may be provided by the owner. Nonpayment of any such charges is not grounds for termination of tenancy.
- c. The owner may not charge the tenant extra amounts for items customarily included in rent to owner in the locality, or provided at no additional cost to unsubsidized tenants in the premises.

**7. Maintenance, Utilities, and Other Services**

- a. **Maintenance**

- (1) The owner must maintain the unit and premises in accordance with the HQS.
  - (2) Maintenance and replacement (including redecoration) must be in accordance with the standard practice for the building concerned as established by the owner.
- b Utilities and appliances**
- (1) The owner must provide all utilities needed to comply with the HQS.
  - (2) The owner is not responsible for a breach of the HQS caused by the tenant's failure to:
    - (a) Pay for any utilities that are to be paid by the tenant.
    - (b) Provide and maintain any appliances that are to be provided by the tenant.
- c. Family damage.** The owner is not responsible for a breach of the HQS because of damages beyond normal wear and tear caused by any member of the household or by a guest.
- d Housing services.** The owner must provide all housing services as agreed to in the lease.

## 8. Termination of Tenancy by Owner

- a. Requirements.** The owner may only terminate the tenancy in accordance with the lease and HUD requirements.
- b Grounds.** During the term of the lease (the initial term of the lease or any extension term), the owner may only terminate the tenancy because of:
  - (1) Serious or repeated violation of the lease;
  - (2) Violation of Federal, State, or local law that imposes obligations on the tenant in connection with the occupancy or use of the unit and the premises;
  - (3) Criminal activity or alcohol abuse (as provided in paragraph c); or
  - (4) Other good cause (as provided in paragraph d).
- c Criminal activity or alcohol abuse.**
  - (1) The owner may terminate the tenancy during the term of the lease if any member of the household, a guest or another person under a resident's control commits any of the following types of criminal activity:
    - (a) Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of the premises by, other residents (including property management staff residing on the premises);
    - (b) Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of their residences by, persons residing in the immediate vicinity of the premises;
    - (c) Any violent criminal activity on or near the premises; or
    - (d) Any drug-related criminal activity on or near the premises.

- (2) The owner may terminate the tenancy during the term of the lease if any member of the household is:
  - (a) Fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or
  - (b) Violating a condition of probation or parole under Federal or State law.
- (3) The owner may terminate the tenancy for criminal activity by a household member in accordance with this section if the owner determines that the household member has committed the criminal activity, regardless of whether the household member has been arrested or convicted for such activity.
- (4) The owner may terminate the tenancy during the term of the lease if any member of the household has engaged in abuse of alcohol that threatens the health, safety or right to peaceful enjoyment of the premises by other residents.

**d Other good cause for termination of tenancy**

- (1) During the initial lease term, other good cause for termination of tenancy must be something the family did or failed to do.
- (2) During the initial lease term or during any extension term, other good cause may include:
  - (a) Disturbance of neighbors,
  - (b) Destruction of property, or
  - (c) Living or housekeeping habits that cause damage to the unit or premises.
- (3) After the initial lease term, such good cause may include:
  - (a) The tenant's failure to accept the owner's offer of a new lease or revision;
  - (b) The owner's desire to use the unit for personal or family use or for a purpose other than use as a residential rental unit; or
  - (c) A business or economic reason for termination of the tenancy (such as sale of the property, renovation of the unit, the owner's desire to rent the unit for a higher rent).
- (5) The examples of other good cause in this paragraph do not preempt any State or local laws to the contrary.
- (6) In the case of an owner who is an immediate successor in interest pursuant to foreclosure during the term of the lease, requiring the tenant to vacate the property prior to sale shall not constitute other good cause, except that the owner may terminate the tenancy effective on the date of transfer of the unit to the owner if the owner: (a) will occupy the unit as a primary residence; and (b) has provided the tenant a notice to vacate at least 90 days before the effective date of such notice. This

provision shall not affect any State or local law that provides for longer time periods or addition protections for tenants. **This provision will sunset on December 31, 2012 unless extended by law.**

**c. Protections for Victims of Abuse.**

- (1) An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violations of the lease or other "good cause" for termination of the assistance, tenancy, or occupancy rights of such a victim.
- (2) Criminal activity directly relating to abuse, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant's family is the victim or threatened victim of domestic violence, dating violence, or stalking.
- (3) Notwithstanding any restrictions on admission, occupancy, or terminations of occupancy or assistance, or any Federal, State or local law to the contrary, a PHA, owner or manager may "bifurcate" a lease, or otherwise remove a household member from a lease, without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others. This action may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of the violence who is also a tenant or lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State, and local law for the termination of leases or assistance under the housing choice voucher program.
- (4) Nothing in this section may be construed to limit the authority of a public housing agency, owner, or manager, when notified, to honor court orders addressing rights of access or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household members in cases where a family breaks up.
- (5) Nothing in this section limits any otherwise available authority of an owner or manager to evict or the public housing agency to terminate assistance to a tenant for any violation of a lease not premised on the act or acts of violence in question against the tenant or a member of the tenant's household, provided that the owner, manager, or public housing agency does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a

more demanding standard than other tenants in determining whether to evict or terminate.

- (6) Nothing in this section may be construed to limit the authority of an owner or manager to evict, or the public housing agency to terminate assistance, to any tenant if the owner, manager, or public housing agency can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if the tenant is not evicted or terminated from assistance.
- (7) Nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking.

**f. Eviction by court action.** The owner may only evict the tenant by a court action.

**g. Owner notice of grounds**

- (1) At or before the beginning of a court action to evict the tenant, the owner must give the tenant a notice that specifies the grounds for termination of tenancy. The notice may be included in or combined with any owner eviction notice.

**2. Lease**

- a. The owner has given the PHA a copy of the lease, including any revisions agreed by the owner and the tenant. The owner certifies that the terms of the lease are in accordance with all provisions of the HAP contract and that the lease includes the tenancy addendum.

**3. Use of Contract Unit**

- a. During the lease term, the family will reside in the contract unit with assistance under the voucher program.

- c. The contract unit may only be used for residence by the PHA-approved household members. The unit must be the family's only residence. Members of the household may engage in legal profit making activities incidental to primary use of the unit for residence by members of the family.
- d. The tenant may not sublease or let the unit.
- e. The tenant may not assign the lease or transfer the unit.

**4. Rent to Owner**

- d. The tenant is not responsible for paying the portion of rent to owner covered by the PHA housing assistance payment under the HAP contract between the owner and the PHA.   - (c) Any violent criminal activity on or near the premises; or
  - (d) Any drug-related criminal activity on or near the premises.
- (2) The owner may terminate the tenancy during the term of the lease if any member of the household is:
  - (a) Fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that

is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or

- (b) Violating a condition of probation or parole under Federal or State law.
- (3) The owner may terminate the tenancy for criminal activity by a household member in accordance with this section if the owner determines that the household member has committed the criminal activity, regardless of whether the household member has been arrested or convicted for such activity.
- (4) The owner may terminate the tenancy during the term of the lease if any member of the household has engaged in abuse of alcohol that threatens the health, safety or right to peaceful enjoyment of the premises by other residents.

  - (c) Living or housekeeping habits that cause damage to the unit or premises.

- (4) The examples of other good cause in this paragraph do not preempt any State or local laws to the contrary.
- (5) In the case of an owner who is an immediate successor in interest pursuant to foreclosure during the term of the lease, requiring the tenant to vacate the property prior to sale shall not constitute other good cause, except that the owner may terminate the tenancy effective on the date of transfer of the unit to the owner if the owner: (a) will occupy the unit as a primary residence; and (b) has provided the tenant a notice to vacate at least 90 days before the effective date of such notice. This provision shall not affect any State or local law that provides for longer time periods or addition protections for tenants. **This provision will sunset on December 31, 2012 unless extended by law.**

**e. Protections for Victims of Abuse.**

- (1) An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violations of the lease or other "good cause" for termination of the assistance, tenancy, or occupancy rights of such a victim.
- (2) Criminal activity directly relating to abuse, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant's family is the victim or threatened victim of domestic violence, dating violence, or stalking.
- (3) Notwithstanding any restrictions on admission, occupancy, or terminations of occupancy or assistance, or any Federal, State or local law to the contrary, a PHA, owner or manager may "bifurcate" a lease, or otherwise remove a household member from a lease, without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others. This action may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of the violence who is also a tenant or lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State, and local law for the termination of leases or assistance under the housing choice voucher program.
- (4) Nothing in this section may be construed to limit the authority of a public housing agency, owner, or manager, when notified, to honor court orders addressing rights of access or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household members in cases where a family breaks up.
- (5) Nothing in this section limits any otherwise available authority of an owner or manager to evict or the public housing agency to terminate assistance to a tenant for any violation of a lease not premised on the act or acts of violence in question against the tenant or a member of the tenant's household, provided that the owner, manager, or public housing agency does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than other tenants in determining whether to evict or terminate.
- (6) Nothing in this section may be construed to limit the authority of an owner or manager to evict, or the public housing agency to terminate assistance, to any tenant if the owner, manager, or public

housing agency can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if the tenant is not evicted or terminated from assistance.

- (7) Nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking.

**f. Eviction by court action.** The owner may only evict the tenant by a court action.

# A Good Place to Live!

HUD-593-PIH

This booklet is distributed by:  
HOUSING FORMS, INC.  
(800) 334-1562

## Introduction

Having a good place to live is important. Through your Housing Agency (or HA), the Section 8 Rental Certificate Program and the Rental Voucher Program help you to rent a good place. You are free to choose any house or apartment you like, as long as it meets certain requirements for housing quality. Under the Rental Certificate Program, the housing generally cannot cost more than the Fair Market Rent. However, under the Rental Voucher Program, a family may choose to rent a more expensive house or apartment and pay the extra amount. Your HA will give you other information about both programs and the way your part of the rent is determined. This booklet is to help you understand what the housing quality standards are and why they are important to you.

## Housing Quality Standards

Housing quality standards help to insure that your home will be safe, healthy, and comfortable. In the Section 8 Rental Certificate Program and the Rental Voucher Program there are two kinds of housing quality standards.

- Things that a home *must* have in order to be approved by the HA, and
- Additional things that you *should* think about for the special needs of your own family. These are items that you can decide.

## The Section 8 Rental Certificate Program and the Rental Voucher Program

The Section 8 Rental Certificate Program and the Rental Voucher Program allow you to choose a house or apartment that you like. It may be where you are living now or somewhere else. The *must* have standards are very basic items that every house or apartment must have. But a home that has all the *must* have standards may still not have everything you need or would like. With the help of the Section 8 Rental Certificate Program or Rental Voucher Program, you *should* be able to afford a good home, so you should think about what you would like your home to have. You may want a big

kitchen or a lot of windows or a first floor apartment. Worn wallpaper or paint may bother you. Think of these things as you are looking for a home. Please take time to read *A Good Place to Live*. If you would like to stay in your present home, use this booklet to see if your home meets the housing quality standards. If you want to move, use it each time you go to look for a new house or apartment. Good luck in finding your good place to live.

A Good Place to Live is divided into six sections and a summary. In each section there is a picture and an explanation of the items that a unit *must* have. There are also suggestions of some things you *should* think about. At the end of each section, think about whether or not the unit has everything it *must* have and everything you think it *should* have. There is room throughout the booklet and at the end for you to make notes.

1. Living Room
2. Kitchen
3. Bathroom
4. Other Rooms
5. Building Exterior, Plumbing, and Heating
6. Health and Safety (in the home, yard, and neighborhood)

Read each section carefully. After you find a good place to live, you can start the *Request for Lease Approval* process. You may find a place you like that has some problems with it. Check with your HA about what to do, since it may be possible to correct the problems.

  - *No chipping or peeling paint* if you have children under the age of seven and the house or apartment was built before 1978.

Walls  
Walls that are in good condition.

- *Not acceptable* are large cracks or holes that allow drafts, severe bulging or leaning, large amounts of loose or falling surface material such as plaster.

Electricity  
At least one permanent ceiling or wall light fixture that works.

- *Not acceptable* are broken or frayed wiring, light fixtures hanging from wires with no other firm support (such as a chain), missing cover plates on switches or outlets, badly cracked outlets.

Sink  
A sink with hot and cold running water.  
— A kitchen sink will not satisfy this requirement.

### You Should Also Think About:

- The size of the bathroom and the amount of privacy.
- The appearance of the toilet, sink, and shower or tub.
- The appearance of the grout and seal along the floor and where the tub meets the wall.
- The appearance of the floor and walls.
- The size of the hot water heater.
- A cabinet with a mirror.

# 4. Other Rooms

**Other rooms that are lived in include:** bedrooms, dens, halls, and finished basements or enclosed, heated porches. The requirements for other rooms that are lived in are similar to the requirements for the living room as explained below.

## Other Rooms Used for Living Must Have:

### Ceiling

A ceiling that is in good condition.

- Not acceptable are large cracks or holes that allow drafts, severe bulging, large amounts of loose or falling surface material such as plaster.

### Walls

Walls that are in good condition.

- Not acceptable are large cracks or holes that allow drafts, severe bulging or leaning, large amounts of loose or falling surface material such as plaster.

### Paint

- No chipping or peeling paint if you have children under the age of seven and the house or apartment was built before 1978.

### Electricity in Bedrooms

Same requirement as for living room.

### In All Other Rooms Used for Living:

There is no specific standard for electricity; but there must be either natural illumination (a window) or an electric light fixture or outlet.

### Floor

A floor that is in good condition.

- Not acceptable are large cracks or holes, missing or warped floor boards or covering that could cause someone to trip.

Notes:

**Lock**  
A lock that works on all windows and doors that can be reached from the outside, a common public hallway, a fire escape, porch or other outside place that can be reached from the ground.

**Window**  
At least one window, which must be operable if it was designed to be opened, in every room used for sleeping. Every window must be in good condition

- Not acceptable are windows with badly cracked, broken or missing panes, and windows that do not shut or, when shut, do not keep out the weather.

**Other rooms that are not lived in may be:** a utility room for washer and dryer, basement, or porch. These must be checked for security and electrical hazards and other possible dangers (such as walls or ceilings in danger of falling), since these items are important for the safety of your entire apartment. You should also look for other possible dangers such as large holes in the walls, floors, or ceilings, and unsafe stairways. Make sure to look for these things in *all* other rooms not lived in.

### You Should Also Think About:

- What you would like to do with the other rooms.
  - Can you use them the way you want to?
- The types of locks on windows and doors.
  - Are they safe and secure?
  - Have windows that you might like to open been nailed shut?
- The condition of the windows.
  - Are there small cracks in the panes?
- The amount of weatherization around doors and windows?
  - Are there storm windows?
  - Is there weatherstripping? If you pay your own utilities, this may be important.
- The location of electric outlets and light fixtures.
  - The condition of the paint and wallpaper.
    - Are they worn, faded, or dirty?
  - The condition of the floors.
    - Are they scratched and worn?

# 5. Building Exterior, Plumbing, and Heating

## The Building Must Have:

### Roof

A roof in good condition that does not leak. Gutters and downspouts are not required but, if present, are in good condition and securely attached to the building.

- Evidence of leaks can usually be seen from stains on the ceiling *inside* the building.

### Outside Handrails

Secure handrails on any extended length of stairs (e.g., generally four or more steps) and any porches, balconies, or decks which are 30 inches or more above the ground.

### Walls

Exterior walls that are in good condition, with no large holes or cracks that would let a great amount of air get inside.

### Foundation

A foundation in good condition that has no serious leaks.

### Water Supply

A plumbing system that is served by an approvable public or private supply system. Ask the manager or owner.

### Sewage

A plumbing system that is connected to an approved public or private sewage disposal system. Ask the manager or owner.

### Chimneys

No serious leaning or defects (such as big cracks or many missing bricks) in any chimneys.

Note: You may not be able to check these items yourself, but the HA Inspector will check them for you when the unit is inspected.

**Paint**  
No cracking, peeling, or chipping paint if you have children under the age of seven and the house or apartment was built before 1978.

- This includes exterior walls, stairs, decks, porches, railings, windows, doors, and entrance and hallway to the apartment.

### Cooling

Some windows that open, or some working ventilation or cooling equipment that can provide air circulation during warm months.

### Plumbing

Pipes that in good condition, with no leaks and no serious rust that causes the water to be discolored.

### Water Heater

A water heater located, equipped, and installed in a safe manner. Ask the manager or owner.

### Heat

Enough heating equipment so that the unit can be made comfortably warm during cold months.

- Not acceptable are space heaters (or room heaters) that burn oil, kerosene, or gas and are not vented to a chimney. Space heaters that are vented may be acceptable if they can provide enough heat.

## You Should Also Think About:

- How well maintained the house or apartment is.
- The type of heating equipment.
  - Will it be able to supply enough heat for you in the winter, to all rooms used for living?
- The amount and type of weatherization and its affect on utility costs.
  - Is there insulation?
  - Are there storm windows?
  - Is there weatherstripping around the windows and doors?
- Air circulation or type of cooling equipment (if any)
  - Will the unit be cool enough for you in summer?

# 6. Health and Safety

## The Building and Site Must Have:

### Smoke Detectors

At least one working smoke detector on each level of the unit, including the basement. If any member of your family is hearing-impaired, the smoke detector must have an alarm system designed for hearing-impaired persons.

### Fire Exits

The building must provide an alternate means of exit in case of fire (such as fire stairs or exit through windows, with the use of a ladder if windows are above the second floor).

### Elevators

Make sure the elevators are safe and work properly.

### Entrance

An entrance from the outside or from a public hall, so that it is not necessary to go through anyone else's private apartment to get to the unit.

### Neighborhood

No dangerous places, spaces, or things in the neighborhood such as:

- Nearby buildings that are falling down
- Unprotected cliffs or quarries
- Fire hazards
- Evidence of flooding

### Garbage

No large piles of trash and garbage inside or outside the unit, or in common areas such as hallways. There must be a space to store garbage (until pickup) that is covered tightly so that rats and other animals cannot get into it. Trash should be picked up regularly.

Note: You may not be able to check these items listed here yourself, but the HA Inspector will check them for you when the unit is inspected.

**Lights**  
Lights that work in all common hallways and interior stairs.

**Stairs and Hallways**  
Interior stairs with railings, and common hallways that are safe and in good condition. Minimal cracking, peeling or chipping paint in these areas.

**Pollution**  
No serious air pollution, such as exhaust fumes or sewer gas.

**Rodents and Vermin**  
No sign of rats or large numbers of mice or vermin (like roaches).

**For Manufactured Homes: The Downs**  
Manufactured homes must be placed on the site in a stable manner and be free from hazards such as sliding or wind damage.

## You Should Also Think About:

- The type of fire exit.  
— Is it suitable for your family?
- How safe the house or apartment is for your family.
- The presence of screens and storm windows.
- Services in the neighborhood.  
— Are there stores nearby?  
— Are there schools nearby?  
— Are there hospitals nearby?  
— Is there public transportation nearby?
- Are there job opportunities nearby?
- Will the cost of tenant-paid utilities be affordable and is the unit energy-efficient?
- Be sure to read the lead-based paint brochure given to you by the HA or owner, especially if the housing or apartment is older (built before 1978).

Now that you have finished this booklet, you know that for a house or apartment to be a good place to live, it must meet two kinds of housing quality standards:

- Things it must have in order to be approved for the Section 8 Rental Certificate Program and the Rental Voucher Program.
- Additional things that you should think about for the special needs of your family.

You know that these standards apply in six areas of a house or apartment.

1. Living Room
2. Kitchen
3. Bathroom
4. Other Rooms
5. Building Exterior, Plumbing, and Heating
6. Health and Safety

You know that when a house or apartment meets the housing quality standards, it will be a safe, healthy, and comfortable home for your family. It will be a good place to live.

**After you find a good place to live, you can begin the Request for Lease Approval process.** When both you and the owner have signed the *Request for Lease Approval* and the HA has received it, an official inspection will take place. The HA will inform both you and the owner of the inspection results.

**If the house or apartment passes, a lease can be signed.** There may still be some items that you or the HA would like improved. If so, you and your HA may be able to bargain for the improvements when you sign the lease. If the owner is not willing to do the work, perhaps you can get him or her to pay for the materials and do it yourself.

**If the house or apartment fails, you and/or your HA may try to convince the owner to make the repairs so it will pass.** The likelihood of the owner making the repairs may depend on how serious or costly they are.

If it fails, all repairs must be made and the house or apartment must be reinspected *before* any lease is signed. If the owner cannot, or will not, repair the house or apartment, even if the repairs are minor, you must look for another home. Make sure you understand *why* the house or apartment failed, so that you will be more successful in your next search.

#### **Responsibilities of the Housing Agency:**

- Ensure that all units in the Section 8 Rental Certificate Program and the Rental Voucher Program meet the housing quality standards.
- Inspect unit in response to *Request for Lease Approval*. Inform potential tenant and owner of results and necessary actions.
- Encourage tenants and owners to maintain units up to standards.
- Make inspection in response to tenant or owner complaint or request. Inform tenant or owner of necessary actions and time period for compliance.
- Make annual inspection of the unit to ensure that it still meets the housing quality standards. Inform the tenant and owner of the results, necessary actions, and time period for compliance.

#### **Responsibilities of the tenant:**

- Live up to the terms of your lease.
- Do your part to keep the unit safe and sanitary.
- Cooperate with the owner by informing him or her of any necessary repairs.
- Cooperate with the HA for initial, annual, and complaint inspections.

#### **Responsibilities of the owner:**

- Comply with the terms of the lease.
- Generally maintain the unit and keep it up to the housing quality standards outlined in this booklet.
- Cooperate with the tenant by responding promptly to requests for needed repairs.
- Cooperate with the HA on initial, annual, and complaint inspections, including making necessary repairs.

## Are You Planning To Buy, Rent, or Renovate a Home Built Before 1978?

---

**M**any houses and apartments built before 1978 have paint that contains high levels of lead (called lead-based paint). Lead from paint, chips, and dust can pose serious health hazards if not taken care of properly.

**OWNERS, BUYERS, and RENTERS** are encouraged to check for lead (see page 6) before renting, buying or renovating pre-1978 housing.

**F**ederal law requires that individuals receive certain information before renting, buying, or renovating pre-1978 housing:

**LANDLORDS** have to disclose known information on lead-based paint and lead-based paint hazards before leases take effect. Leases must include a disclosure about lead-based paint.

**SELLERS** have to disclose known information on lead-based paint and lead-based paint hazards before selling a house. Sales contracts must include a disclosure about lead-based paint. Buyers have up to 10 days to check for lead.

**RENOVATORS** disturbing more than 2 square feet of painted surfaces have to give you this pamphlet before starting work.

## Lead Gets in the Body in Many Ways

---

---

**Childhood lead poisoning remains a major environmental health problem in the U.S.**

---

---

**Even children who appear healthy can have dangerous levels of lead in their bodies.**

---

**People can get lead in their body if they:**

- ◆ Breathe in lead dust (especially during renovations that disturb painted surfaces).
- ◆ Put their hands or other objects covered with lead dust in their mouths.
- ◆ Eat paint chips or soil that contains lead.

**Lead is even more dangerous to children under the age of 6:**

- ◆ At this age children's brains and nervous systems are more sensitive to the damaging effects of lead.
- ◆ Children's growing bodies absorb more lead.
- ◆ Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.

**Lead is also dangerous to women of childbearing age:**

- ◆ Women with a high lead level in their system prior to pregnancy would expose a fetus to lead through the placenta during fetal development.

## Where Lead-Based Paint Is Found

---

**In general, the older your home, the more likely it has lead-based paint.**

---

**Many homes built before 1978 have lead-based paint.** The federal government banned lead-based paint from housing in 1978. Some states stopped its use even earlier. Lead can be found:

- ◆ In homes in the city, country, or suburbs.
- ◆ In apartments, single-family homes, and both private and public housing.
- ◆ Inside and outside of the house.
- ◆ In soil around a home. (Soil can pick up lead from exterior paint or other sources such as past use of leaded gas in cars.)

## Checking Your Family for Lead

---

**Get your children and home tested if you think your home has high levels of lead.**

---

**To reduce your child's exposure to lead, get your child checked, have your home tested (especially if your home has paint in poor condition and was built before 1978), and fix any hazards you may have.** Children's blood lead levels tend to increase rapidly from 6 to 12 months of age, and tend to peak at 18 to 24 months of age.

Consult your doctor for advice on testing your children. A simple blood test can detect high levels of lead. Blood tests are usually recommended for:

- ◆ Children at ages 1 and 2.
- ◆ Children or other family members who have been exposed to high levels of lead.
- ◆ Children who should be tested under your state or local health screening plan.

Your doctor can explain what the test results mean and if more testing will be needed.

## Checking Your Home for Lead

---

---

**Just knowing that a home has lead-based paint may not tell you if there is a hazard.**

---

You can get your home tested for lead in several different ways:

- ◆ A paint **inspection** tells you whether your home has lead-based paint and where it is located. It won't tell you whether or not your home currently has lead hazards.
- ◆ A **risk assessment** tells you if your home currently has any lead hazards from lead in paint, dust, or soil. It also tells you what actions to take to address any hazards.
- ◆ A combination risk assessment and inspection tells you if your home has any lead hazards and if your home has any lead-based paint, and where the lead-based paint is located.

Hire a trained and certified testing professional who will use a range of reliable methods when testing your home.

- ◆ Visual inspection of paint condition and location.
- ◆ A portable x-ray fluorescence (XRF) machine.
- ◆ Lab tests of paint, dust, and soil samples.

There are state and federal programs in place to ensure that testing is done safely, reliably, and effectively. Contact your state or local agency (see bottom of page 11) for more information, or call **1-800-424-LEAD (5323)** for a list of contacts in your area.

**Home test kits for lead are available, but may not always be accurate.** Consumers should not rely on these kits before doing renovations or to assure safety.

## Reducing Lead Hazards In The Home

---

---

**Removing lead improperly can increase the hazard to your family by spreading even more lead dust around the house.**

---

**Always use a professional who is trained to remove lead hazards safely.**

---

In addition to day-to-day cleaning and good nutrition:

- ◆ You can **temporarily** reduce lead hazards by taking actions such as repairing damaged painted surfaces and planting grass to cover soil with high lead levels. These actions (called “interim controls”) are not permanent solutions and will need ongoing attention.
- ◆ To **permanently** remove lead hazards, you should hire a certified lead “abatement” contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials. Just painting over the hazard with regular paint is not permanent removal.

Always hire a person with special training for correcting lead problems—someone who knows how to do this work safely and has the proper equipment to clean up thoroughly. Certified contractors will employ qualified workers and follow strict safety rules as set by their state or by the federal government.

Once the work is completed, dust cleanup activities must be repeated until testing indicates that lead dust levels are below the following:

- ◆ 40 micrograms per square foot ( $\mu\text{g}/\text{ft}^2$ ) for floors, including carpeted floors;
- ◆ 250  $\mu\text{g}/\text{ft}^2$  for interior windows sills; and
- ◆ 400  $\mu\text{g}/\text{ft}^2$  for window troughs.

Call your state or local agency (see bottom of page 11) for help in locating certified professionals in your area and to see if financial assistance is available.

## Other Sources of Lead

---

---

While paint, dust, and soil are the most common sources of lead, other lead sources also exist.

---

◆ **Drinking water.** Your home might have plumbing with lead or lead solder. Call your local health department or water supplier to find out about testing your water. You cannot see, smell, or taste lead, and boiling your water will not get rid of lead. If you think your plumbing might have lead in it:

- Use only cold water for drinking and cooking.
- Run water for 15 to 30 seconds before drinking it, especially if you have not used your water for a few hours.

◆ **The job.** If you work with lead, you could bring it home on your hands or clothes. Shower and change clothes before coming home. Launder your work clothes separately from the rest of your family's clothes.

◆ **Old painted toys and furniture.**

◆ **Food and liquids stored in lead crystal or lead-glazed pottery or porcelain.**

◆ **Lead smelters** or other industries that release lead into the air.

◆ **Hobbies** that use lead, such as making pottery or stained glass, or refinishing furniture.

◆ **Folk remedies** that contain lead, such as "greta" and "azarcon" used to treat an upset stomach.

## **Protection for Victims of Abuse**

### **Violence Against Women Act (VAWA)**

(1) An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violations of the lease or other “good cause” for termination of the assistance, tenancy, or occupancy rights of such a victim.

(2) Criminal activity directly relating to abuse, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control, shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant’s family is the victim or threatened victim of domestic violence, dating violence, or stalking.

(3) Notwithstanding any restrictions on admission, occupancy, or terminations of occupancy or assistance, or any Federal, State or local law to the contrary, a PHA, owner or manager may “bifurcate” a lease, or otherwise remove a household member from a lease, without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others. This action may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of the violence who is also a tenant or lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State, and local law for the termination of leases or assistance under the housing choice voucher program.

(4) Nothing in this section may be construed to limit the authority of a public housing agency, owner, or manager, when notified, to honor court orders addressing rights of access or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household members in cases where a family breaks up.
