RE: Drexel Roofing Bid Tab and Vendor Recommendation

Mr. James,

Please see my summary for my review of the bid documents for the Drexel Senior Building Apts Hurricane Irma Roofing repairs. After going thru a fully advertised procurement procedure, and after having SIX companies attend the prebid meeting, we had TWO bidders submit bids on September 29, 2020.

**1. Bidder #1: Trusted Construction, Inc.**

This company submitted a bid in the total amount of **\$489,185.35** and is the lowest, responsible, and responsive bidder.

Bid Highlights:

- a. Trusted Construction recognized Addendum #1.
- b. Trusted Construction submitted a 10% original bid bond.
- c. This contractor is claiming 100% self-performing work force with no sub-contractors.
- d. This contractor has had annual contracts with the PBC School Board, with Palm Beach County, with The Town of Palm Beach and with the City of Weston to name a few.
- e. This contractor is a LOCAL, Lake Worth Florida contractor.
- f. They have committed to having a job fair and to other outreach methods for the hiring of workers in the Section 3 community.
- g. Trusted Construction has an active SAM account with no exclusions listed.
- h. Trusted Construction is listed as a Small, Woman-Owned Business Concern.
- i. Trusted Construction is a CertainTeed Credential SELECT ShingleMaster company.
- j. Trusted Construction has submitted all the required documents, originals, and copies.

**2. Bidder #2: S.M. Wilson & Co, LLC**

This company submitted a bid in the total amount of **\$665,765.64** is the second lowest, responsible, and responsive bidder.

Bid Highlights:

- a. S.M. Wilson & Co, LLC has listed one roofing sub contractor for the project.
- b. S.M. Wilson & Co, LLC has an active SAM account with no exclusions listed.
- c. S.M. Wilson & Co, LLC is a CertainTeed Credential SELECT ShingleMaster company.
- d. S.M. Wilson & Co, LLC has submitted all the required documents, originals, and copies.

Based on the submitted documents and the review of the company, I recommend Trusted Construction, Inc. for this project.

Please let me know if you would like for me to issue them a Notice of Intent to Hire. Once that is issued, I can request their P&P bonds and put a contract to hire together.

Thank you,

Sincerely,  
KIMBERLY A.
