NOTICE TO CANCEL CONTRACT AND PROJECT

RE: **PBCHA 4751 S DYSON APT BURN UNIT REPAIR PROJECT #KD-21724.** Project address is **4751 S Dyson Circle, WPB FL 33417**

Mr. Taylor,

Thru no fault of your own, the PBCHA has been forced to cancel the referenced project.

We are asking that you submit all your expenses to date with proof of expense to me so that the PBCHA can fully reimburse you for your expenses for this project.

Since we have not started any billing on AIA 702 / 703 to date, you may submit the detailed invoice on your letter head with attached receipts and back up paperwork qualifying your expenses.

Our team regrets that this action had to be taken and we very much appreciate all your work to date on this project. Hopefully, we can work together on a future project.

Please respond via email to me acceptance of this letter.

Thank you,
KIMBERLY A.
