Local Business Tax Receipts

Local Business Tax Receipts (BTR), formerly Occupational Licenses, are issued by the Constitutional Tax Collector's Office. Business Tax Receipts are payable annually July 1 through September 30. Download the [Application for Business Tax Receipt](#) for a list of instructions and documents needed.

<https://pbctax.com/services/local-business-tax-services/local-business-tax-receipts>

The law requires any business in Palm Beach County selling merchandise or services to purchase a Business Tax Receipt. This includes one-person companies and home-based businesses. In addition to the Business Tax Receipt, businesses must also comply with any local license and ordinance requirements.

Compliance with Business Tax Receipt rules simply means a business is following the law. It is not a stamp of merchandise or service quality.
